Dear Sir:

This Amendment is in response to the Notice of Allowance and Examiner's Amendment mailed May 2, 2007. The proposed amendment is necessary and was not earlier presented because it corrects the Examiner's amendment of claim 1 by replacing "said" with "the." Also, the claims contained herein are believed to reflect the changes in the Examiner's Amendment, where the use of brackets (instead of the Patent Office's policy of using strikethroughs) in the claims of the Examiner's Amendment have been interpreted to be deletions. Since the present Amendment is a matter of form, is needed to properly disclose or protect the invention and will

not require a substantial amount of additional work on the part of the Office, Applicants request that the present Amendment be entered.

Please note that the amendment to claim 1 is being made to correct an obvious typographical error on the part of the Examiner and so is not being presented for reasons of patentability as defined in *Festo Corporation v. Shoketsu Kinzoku Kogyo Kabushiki Co., Ltd*, 234 F.3d 558, 56 USPQ2d 1865 (Fed. Cir. 2000) (*en banc*), *overruled in part*, 535 U.S. 722 (2002).
